EVENT CO-SPONSORS

According to the American Cancer, it is estimated that 10,320 people in Nebraska, and 17,630 people in Iowa, will be diagnosed with a form of cancer in 2018. That is almost 28,000 of our family, friends, and co-workers that will be fighting for their lives this year.

This year's A-United Golf Classic will be raising donations and building awareness for "Scare Away Cancer," a local 501(c)(3) organization that is run solely by volunteers. With this money, Scare Away Cancer will be able to offer financial assistance to families battling cancer to help pay for bills, food, lodging, etc.

Registrations will be filling up fast as the tournament will be hosted at another premier golf course. Oak Hills Country Club, 12325 Golfing Green Drive.

Please visit aunitedglass.com/golf-classic to become a SPONSOR or to Donate some pin prizes !
